WHAT PEOPLE ARE SAYING

"I've been here for 20 years and Richard is the first person I've seen hold the attention of all 800 students."

-Jennie Bolotin, Librarian, Johnson MS, CA

"The whole audience was focused on Richard! He had them engaged [and] they related with him. I encourage you to have him come to your campus and help kids deal with issues students have. I totally 100% support Richard!"

- Kevin Fairman, CADA President & Asst. Principal

"Richard is a totally different type of speaker. You can actually feel his message being given to you like it's a one on one conversation and his experiences are something that anyone can connect to!"

- Roger Fang, Student, Yorba Linda HS, CA

"Richard is amazing. I overheard and was told directly by people about how inspiring he is and he doesn't only speak and tell others what they should do, but he takes it into his own personal life which I truly admire!"

- Zeyra Ceballos, Student, Fountain Valley HS, CA
